4. CERTIFIER REQUIREMENTS

Identification and Proof of Address documents will need to be certified by one of the following professionals:

- Metro Bank employee
- Bank or building society official
- Councillor
- Minister of Religion
- Teacher or lecturer
- Dentist
- The Post Office
- Lawyer, notary, barrister, accountant or mortgage broker who is a member of a recognized professional body*
- Consulate, embassy or high commission employee of the country of issuance (acting in their official capacity)

Please note, an approved person cannot provide certification services if they have a personal relationship with the customer/prospective customer due to the potential conflict of interest. As such, Metro Bank will not accept certification in cases where the approved person is either: (i) related to the customer, (ii) living at the same address as the customer, (iii) in a relationship with the customer, or (iv) individually listed as a KAP of the customer (e.g. a beneficial owner, director, trustee, etc.)

* The certifier must be an approved individual. The Bank cannot accept certification from employees of such entities who are not approved. Please note in some cases where the certifier cannot be verified via online databases, we may require further information.

5. CERTIFICATION REQUIREMENTS

All pages of provided documents must be certified. All ID documents must be on separate pages and certified individually.

All Identification and Proof of Address(s) needs to be certified with the following:

'I certify that this is a true copy of the original document.'

If the identification or Proof of Address has a photo, the document needs to be certified with the following:

'I certify that this is a true copy of the original document and true likeness to the applicant.'

The certification should be as follows:

- That the document is a true copy of the original
- Date of certification, which must not be older than three months at the time of application being submitted
- Name of certifier and firm
- Job title of the certifier
- Signature of the certifier
- Certification must be on all pages

When the Post Office has certified documents, the following wording must be used:

- The Post Office Identity Document Checking Service form should be complete with the customer details and stamped and signed by the post office certifier.
- Each document should also be stamped and certified as a true likeness: 'I certify that each photocopy is a true likeness of the original'.
