## Buy To Let Mortgage Range (*continued*)

### Some charges to be aware of

- A valuation will be required for each application. Please refer to our website for more information on [Valuations](#) including fee scale.
- Other fees may apply after you take out your mortgage (please see our Tariff of Charges for more details)

### Early repayment charges (1% for each year of initial rate remaining)

You can pay back the capital part of your loan by making “overpayments”. These are amounts in excess of your monthly mortgage payment. An early repayment charge may apply if you make overpayments whilst you are paying the initial rate on your mortgage. Where this does apply, an early repayment charge is payable if the total overpayments in any one year exceed 10% of the amount which you borrowed. The early repayment charge is a percentage of the repaid amount, calculated as follows:

Years left on initial rate	Between 4 and 5	Between 3 and 4	Between 2 and 3	Between 1 and 2	Less than 1
<b>Early Repayment Charge - calculated as a percentage of amount repaid early.</b>	5%	4%	3%	2%	1%

### Loan to Value Limits

Maximum 80% - Up to £500,000 loan amount	Maximum 75% - Up to £2,000,000 loan amount
Maximum 70% - Up to £2,500,000 loan amount	Maximum 65% - Up to £3,000,000 loan amount
Maximum 60% - Up to £10,000,000 loan amount	Maximum 50% - Over £10,000,000 loan amount

**These limits may be restricted by product availability**

“Loan to value” is the amount you want to borrow described as a percentage of the total value of the property.

\*The APRC is calculated using the following scenario: property value of £600,000, a further advance of £25,000 and a product switch is applied to an existing mortgage balance of £325,000. The mortgage has a 20 year term and is repayable on an interest only basis. Fee total of £1,549 are not part of the loan.

^Application Fee of £199 is payable upfront. This is a non-refundable fee for assessing and processing your application.

Bank of England Base Rate, currently 4.25%
