SUMMARY BOX

Can I withdraw money?

- You can close your Fixed Rate Cash ISA without loss of interest or penalty up to 14 calendar days after you open it. If you cancel within this period any deposits will not count towards your annual ISA subscription limit. If you withdraw the funds it will count as a subscription.
- You cannot make partial withdrawals from a Fixed Rate Cash ISA. If you close or transfer your Fixed Rate Cash ISA to another provider before the maturity date you will lose 180 days interest. If your account has earned less than 180 days interest, then your original deposit will be paid to you or transferred to your new provider in full with no interest.
- Your Fixed Rate Cash ISA matures the day before the relevant anniversary date of your account opening and your deposit and any interest will be paid the next working day. For example, if you open a 2 year Fixed Rate Cash ISA on 05 March 2025, your account will mature at close of business on 04 March 2027 and the deposit would be paid by close of business on 05 March 2027.
- If the Fixed Rate Cash ISA term end date falls on a weekend or bank holiday, your account will mature on the next working day and the balance and any interest will be available to you on the next working day from this date.
- We will contact you within 30 days of your maturity date to remind you of your options at maturity. If we don't hear from you, we'll convert your account into an Instant Access Cash ISA when your account matures.
- A closing statement will be provided at maturity.
- You can instruct us to reinvest your money into a new Fixed Rate Cash ISA by calling or visiting us in Store.
